

Rapid Response Fund Talking Points

- 1** On June 13th, Israel launched a preemptive strike against Iran's nuclear program, triggering an intense missile war. In response, Iran fired hundreds of ballistic missiles at Israeli cities—some of which have caused devastating damage.
- 2** Thousands of Israelis are now displaced, many living in hotels or shelters with little more than what they wore out the door.
- 3** The Joshua Fund is a Christian nonprofit that blesses both Jews and Arabs in Israel and Her Neighbors in the name of Jesus.
- 4** The Rapid Response Fund – launched during times of urgent need – allows this ministry to respond immediately with practical help and Christ-centered hope.
- 5** The Rapid Response Fund supports a wide range of emergency relief that is delivered through trusted local believers, including safe housing, food, clothing, diapers, hygiene kits, and trauma care.
- 6** It also strengthens local congregations, helping pastors care for their communities.
- 7** You can support believers in the Middle East and provide aid to hurting families right now by scanning the QR code on the screen.
- 8** Every gift to the Rapid Response Fund helps bless Israel and Her Neighbors in the name of Jesus—swiftly, strategically, and compassionately.
