

## DEAR FRIEND,

Greetings from Jerusalem! We are very happy to report that by the grace of God, and wise government leadership, we have almost no new cases of the COVID-19 here in Israel. As a result, the Israeli economy is rapidly rebooting. Schools here re-opened in mid-May, as did shopping malls, factories and most other businesses. Airlines are also beginning to schedule more international flights.

As a result, we are increasingly optimistic that Israel will be ready to welcome tourists this Fall. So, in close cooperation with our travel agency — Inspiration Cruises & Tours — **The Joshua Fund is steadily moving forward with plans to host our "Prayer & Vision Tour"** (October 13-24) as scheduled.

Would you prayerfully consider joining us? What a great way to finally get out of the house and do something exciting — indeed, unforgettable!

This promises to be the trip of a lifetime — come with us to study the Scriptures, walk where Jesus walked, pray with local Israeli and Arab pastors, join an Outreach Day to serve the needy, and learn more about God's love and plan for Israel and her neighbors.

Plus, we still have a few spots left on our first-ever 3-day extension tour to Egypt. To register, or for more information, please visit [joshuafund.com/go/Israel-tours](https://joshuafund.com/go/Israel-tours).

May God bless you and your family — we so look forward to seeing you this October here in the City of the Great King!

EVANGELISM

# JESUS IS WAITING

**T**he Joshua Fund (TJF) supports many churches, pastors and gospel workers throughout the Middle East. One TJF supported church in the region recently received this letter from a woman whose life was transformed out the religion of Islam. Pray for many more souls, just like her to come to Christ.

*"Thank you for proving to me that God can do the impossible at any time. I am a 24 year-old married woman and I live, with my husband. I am Christian in my spirit, soul, and being but no one knows about it and I can't let others know lest I be killed. My husband and my whole family are Muslims. I used to be, but now I am not because of the truth revealed to me.*

*I was a veiled Muslim while in University before I was married. One day one of my Christian colleagues asked me to attend her sister's wedding at your church. I apologized to her that I can't enter a church, but an idea came to me to go, watch, and make fun of their unworthy speech. I did, and the minute I stepped in the church a strange feeling enveloped me and I couldn't make a single laugh! Suddenly, I found my feet taking me to stand in front of a picture of the Crucified Christ. I don't know why tears streamed down my cheeks. Quickly I moved into an isolated corner, sat down, and wiped away my tears. All of a sudden and unexpectedly I heard a voice saying to me.*

***"Welcome, I have been waiting for you all these years, you are in the right place; don't leave."***

*I tried to see who was talking to me, but I couldn't see anyone and my heart began beating louder and faster. That night the Pastor talked about the love of Christ and that He's our only way out of sin. I found a copy of the Bible on the church's bench, and I should admit that I stole it to read when I am alone. I did and I liked it very much and it's still with me. Since that night I believed in Christ secretly, my family does not know this. I continued to come to church secretly.*

*Thank you for loving me as a church and helping me to know Christ. Please pray the Lord will help me to live for Christ who met me and whom I love."*
