YEARS OF IMPACT

 THE JOSHUA FUND®

shalom

What a year 2021 has been — good, bad, and very ugly. Yes, Israel has historic and wonderful new peace agreements with four Arab nations. But terrorists in Gaza fired 4,500 rockets at Israel in May. Riots erupted in multiple Israeli cities. Millions in Israel continue to struggle with the effects of the coronavirus pandemic — poverty has soared.

Meanwhile, Lebanon is melting down economically and exploding with violence. The Associated Press wrote the “Mideast in shambles, but the world has moved on for now.” That’s why The Joshua Fund is more needed than ever. I’m so grateful the Lord has used The Joshua Fund to invest more than \$80 million over the last 15 years to bring the Gospel to hurting hearts and food to hungry homes. But we must do more.

We need more staff in Israel and the neighboring countries and more funding for vital trusted ministry partners caring for the needy and advancing the Great Commission.

You make this work possible through your generous gifts and heeding God’s call. Genesis 12 says, “I will bless those who bless you.” We believe that God does what he says, and we are pressing into this hope for wounded souls in the Epicenter.

We have many enemies in the battle against the Prince of the Power of the Air. However, we have the ultimate Ally — our hope lies entirely with the Lord Jesus Christ, the King of glory! “Hallelujah! For our Lord God Almighty reigns.” (Revelation 19:6)

Lynn and I praise God for you - standing with us as warriors for the Gospel amidst a spiritual battle. And we praise God for His promises and His faithfulness over 15 years serving needy souls in the Epicenter. Thank you!

HOW WE SERVE

serving TOGETHER

Through relief and relationship, The Joshua Fund participates in what God is doing in the Middle East by primarily **partnering with faithful, fruitful, local congregations, whose ministry blesses Israel and Her Neighbors in the name of Jesus.** This is accomplished through four main areas of impact:

Equip

Equipping the global church to **learn, pray, give, and go**, and mobilizing God's loving plan in the Epicenter.

Serve

Serving the needy and mitigating the problem of **hunger in Israel and Her Neighbors.**

Teach

Teaching the Word of God through highly-vetted local organizations **in the Middle East.**

Encourage

Encouraging pastors and **investing in healthy church communities in the Epicenter.**

& FOUND JESUS

15

YEARS

Working alongside highly-vetted in-country partners, you have enabled a lasting impact over the past **15 years.**

Fatima* and her family used to live in constant fear for their lives. ISIS had taken control of their capital during the war, and no place was safe. So they were always on the move, escaping from one place to the next.

Eventually, they found refuge in a neighboring country, but that was just the beginning of their freedom. Through a Joshua Fund-supported ministry, they encountered Christ for the first time, and life would never be the same. This is Fatima's story:

"One day, I was surprised to see a crowd at the gate of a church. I was told people go there to worship. Something was intriguing. I wanted to know what church and worship meant, so I decided to go inside.

I sat in the back with my three kids, clueless as to what was going on. But I was drawn to the worship music like a magnet. Words like "prayer" and the "Lord Jesus" were new to me. Every Sunday, I moved one row forward, and I never stopped asking questions. I asked, 'Who is God? Who is the Lord Jesus? Tell me about this God of peace and love.' Something inside of me changed, and I decided to give my life to Him. It was the best day of my life.

Fatima shared the Good News of Christ with her husband and children—all of them becoming believers. And although the rest of her family rejected her and her newfound faith, Fatima remains determined to keep sharing about the Lord to others.

Your support helped us do things like relocate people during times of war, provide humanitarian aid to those affected by the tragic conflict between Israel & Gaza, and provide other types of critical or lifesaving Rapid Response in the Epicenter.

This is a top priority for The Joshua Fund as we seek to serve and assist churches that are faithfully preaching and teaching, making disciples, and caring for the needy. And we couldn't do it without you.

Thank you for your heart of compassion and kindness that offers hope and support to ministries as they labor in the harvest fields of the Middle East.

equipping

THE GLOBAL CHURCH

“To misunderstand the nature and threat of evil is to risk being blindsided by it.”

These words were Joel Rosenberg’s opening statement in an equipping charge to friends of The Joshua Fund at 2021’s Epicenter Briefing. It’s sobering; what is the nature of the evil that we must face? Our enemy is not “flesh and blood, but....the spiritual forces of evil....” Eph. 6:12

Understanding and responding to spiritual evil is our motivation in equipping the Global Church to learn, pray, give, and go. For The Joshua Fund, it is all about fighting for the Gospel.

At that same Epicenter Briefing, keynote speaker former Secretary of State Mike Pompeo spoke directly about our being equipped for spiritual battle. He shared,

The Bible talks about shining the light. There’s no doubt about this simple principle - you don’t have to fight every day, but you need to fight a lot of fights on behalf of your faith and the things you believe. And if we don’t, we allow ourselves to be canceled and driven out of the public space.

You may have heard similar words before, “Fight the good fight of the faith. Take hold of the eternal life to which you were called when you made your good confession in the presence of many witnesses” (1 Timothy 6:12).

That’s a charge for The Joshua Fund, too. Thank you for joining us as we stand with those fighting the good fight everyday!

Watch Now

In a region where rockets have recently flown indiscriminately towards homes in southern Israel, ministers in the desert, Danny* and Samira* have seen many unique dwellings.

None have compared to Ahmed's family home.

Ahmed* grew up in a small cave carved in the side of an arid mountain south of Jerusalem. While he and his siblings do not live in their childhood home, they use it as a shared space with a nearby 500-gallon water tank and stored refrigerator.

Their "tribe" of five families currently lives in tiny shacks with no connection to either water or electricity. They must pay to have their communal water tank filled regularly, but it is costly.

Work is scarce, and pay is low when any work is acquired where Ahmed's family lives.

Their citizenship classification makes them ineligible to work in Israel, making it challenging to earn a living and pay for basic living expenses. Ahmed's "tribe" of Palestinian families is exceedingly grateful for the nourishing food packages they have received through the help of donors like you.

Because of your generous gifts, these siblings and their families experience the love of Christ and relief from a tremendous burden, and we can help fund other critical programs.

Please keep Ahmed's "tribe" in prayer, along with the many other families around them who are struggling to provide necessities. You are the hands and feet of Christ who share with those who need it the most. The Joshua Fund is grateful to have you as a partner in our ministry.

FOREVER

A bomb landed on Amir's* home in Syria; his family lost everything in 2012. Desperate for safety, they fled to Lebanon. Amir began writing poems of pain describing his family's anger, sadness, and homesickness. He focused on doing well in school to one day help his family out of their present poverty.

Amir was open-minded and willing to talk about the contradictions he found in his Islamic faith. While walking through a common market, he found an old, partially damaged Bible on the ground and felt led to purchase it.

As Amir read the Scriptures, there was a sense of peace and love found in the teachings. Shortly following, he met a ministry supported by The Joshua Fund and started attending their worship gatherings. Later, he told the staff that he felt conflicted; he was resisting God's call and felt relieved in hearing the messages preached from the Bible.

Soon after, Amir's father became ill and could no longer provide for his family's needs. The loss of income meant Amir would have to stop his education and find employment and forfeit the pursuit of his dreams for the future. This slipping dream broke his heart, and for the first time, Amir prayed to Jesus to heal his father.

And Jesus did.

When his father's health improved and he could go back to work, Amir was so affected by this answered prayer that he began praying to Jesus more often and reading the Bible more fervently. His heart was filled with Jesus's love and peace.

Now he volunteers with our ministry partner to help others find Jesus. For the first time, he is looking forward to the future because he knows that God has a plan for his life.

Because of your continued prayers and support, Amir's life changed forever – filled with the love and peace that only God can provide.

Ken and Barb Larson are great friends of The Joshua Fund!

Ken is the founder of Slumberland Furniture, a leading furnishings retailer with 130 stores in 12 states. He is passionate about Christian ministry and giving back to the community. Barb has led Bible studies for four decades. In addition, she has served as a deacon in her church. Both Ken and Barb count it as a privilege to serve on The Joshua Fund board together.

Together, they seek to impact families and the world. A friend introduced the couple to Joel Rosenberg and The Joshua Fund many years ago, and that moment changed their lives forever. The Larsons recently spoke at a gathering at the Museum of the Bible in Washington, DC, regarding their ministry passion. It was there Barb shared, “our hearts resonated with all the testimonies and ministries that The Joshua Fund is involved in.” They are excited and are eager to share their story with groups of 100 or more and also their close friends.

“You probably can tell, we love Israel—we love the Jewish people. We love being here. We love those that are Arab believers. It has been a real thrill to see how effective The Joshua Fund has been in serving so many,” said Ken. That means a tremendous amount to us as at The Joshua Fund. The Larsons are one beautiful representation of the tens of thousands of donors who have joined with us over the last 15 years to bless Israel and Her Neighbors in the name of Jesus!

“We honestly believe that investing in The Joshua Fund is the most impactful way you can influence the country of Israel and the neighboring countries of any we have found. So we encourage you to take the challenge seriously and begin to support The Joshua Fund.

It is truly ministering to those people and increasing the Kingdom of God.”

ON THE *frontlines*

At The Joshua Fund, we are on the frontlines of spiritual warfare. In 2021 alone, we saw...

- **a rocket war in Israel targeting civilians,**
- **expanding COVID-19 impact,**
- **and, on the 20th Anniversary of 9/11, growing hatred worldwide.**

At The Joshua Fund, we continued to serve the Middle East's vulnerable and needy. These trials revealed significant opportunities to demonstrate the Lord's lavish grace.

Your support of The Joshua Fund is administering hunger, ministering the Gospel, and showing love for Israel and her Arab neighbors. And more people are joining with us in our cause than ever before! This year, we've seen a 9% growth in households supporting our work!

Your investments provided needed humanitarian aid to the poor of Israel and allowed us to continue to combat unemployment and need caused by COVID-19. This is why deep Christ-centered relationships matter.

....but there is much more to do!

We can't know what 2022 holds. However, we do know God is in control. Your investment in The Joshua Fund helps in the fulfillment of God's great promise to Abraham; "I will bless those who bless you," **and God does what He says!**
