IMPACT REPORT

wars
& rumors of wars

shalom

Jesus warned in Matthew 24:6, *“You will hear of wars and rumors of wars, but see to it that you are not alarmed.”*

That was 2,000 years ago, but it sounds like today. Russia’s invasion of Ukraine triggered the largest land war in Europe since World War II, causing over 10 million Ukrainians to run for their lives and many Ukrainian Jews to flee to Israel for safety. Inflation is surging to 40-year highs. Meanwhile, security is threatened as Iran produces enough highly enriched uranium to build The Bomb.

Now more than ever, we need to educate and strengthen the Church worldwide, preach the Gospel, and care for the poor. This is a battle for souls, and every minute counts. Since 2006, the Lord has used us to invest \$90+ million to advance the Great Commission – praise God!

Lynn and I are grateful for you – thank you for standing with us amid this raging spiritual battle as we bring the Light of the Messiah into the darkness of the Epicenter.

Thank you!

Not knowing if she'll ever see her home again, and struggling with her harsh new reality as a refugee, Aria* had little hope for the future.

Aria and her family became refugees after a war devastated their homeland. Though they had escaped physical harm, their mental, emotional, and spiritual battles were far from over.

She received a lifeline when a friend told her about a Bible study run by a Joshua Fund-supported ministry partner.

“I fell in love with the Bible study and waited eagerly for church every Sunday,” Aria said. “We had lots of burdens, problems, and worries, but these were the times when we would let go of them.”

The Bible study gives hope to Aria and others like her and allows them to build a strong foundation for their new life as they hear the Word of God and learn Biblical principles.

“During those meetings, we shared all our problems and learned how to apply the Bible to our lives, our kids, our relatives, our neighbors.”

Most importantly, the Bible study shares the Gospel. It is often the first time many refugees have even heard about Jesus.

He defends the cause of the fatherless and the widow, and loves the foreigner residing among you, giving them food and clothing.

DEUTERONOMY 10:18

“It was so new to us because, in the past, we had never heard of all this overwhelming love and peace. Our homes felt so peaceful, and we felt that we weren't forsaken.”

Through your generosity, hope reaches Aria and other refugees. They, in turn, become ambassadors among their people, spreading the love of Christ to others who are displaced and desperate.

With thousands of internally displaced people in the region, this Joshua Fund ministry partner is sowing seeds that will reap a plentiful harvest as people like Aria and her family tell those around them of the hope they have found in Jesus.

Eliana's* mother survived the Holocaust, but she and her neighbors now faced a new threat - Hunger.

When her mom fell ill, Eliana moved in to take care of her. Living in a government-subsidized housing complex for Holocaust survivors, Eliana witnessed her new, elderly community struggle with hunger amid a deadly pandemic.

A local congregation supported by The Joshua Fund became a lifeline for these Holocaust survivors, reaching out and providing the food they so desperately needed.

The congregation's kindness and compassion touched Eliana. Through their selfless giving, she discovered Christ's love and has never been the same.

Eliana now has a new purpose: to show compassion and love in practical ways. Even after her mother's passing, Eliana continues to live in the same place to look after her neighbors and serve as a faithful volunteer with the food distribution at the complex.

Because of you, Eliana and other volunteers can continue to provide critical resources directly to the least of these in their communities.

"No one has ever become poor by giving."

ANNE FRANK

The vision of Eliana's church is to reach out to their community in the Lord's love. Through the food distribution ministry, made possible by The Joshua Fund and its supporters, they are doing just that.

"The congregation got involved to intervene for the betterment of our town. This is just the beginning."
-Eliana's pastor

Thank you for your generosity that has made it possible for these survivors and others living in poverty to put food on their tables during a time when their next meal isn't guaranteed.

Eliana lives in one of several housing complexes in Israel designated for Holocaust survivors.

A primary educational goal of The Joshua Fund is to help the Church connect the dots from global events to Scripture, and educate and mobilize Christians to “*bless Israel and Her Neighbors in the name of Jesus*” (Gen. 12:1-3).

These and other related topics define our podcast “*Inside The Epicenter*.” The podcast has **3M+ views and downloads**, and is in the top 2% of podcasts worldwide.

Unprecedented opportunities unfold rapidly.

“I’ve taken **seven delegations of Evangelical leaders** to Israel and the Arab world—historical opportunities. We spent time with local pastors and ministry leaders, and met with kings, crown princes, presidents, and prime ministers.

All Israel News and All Arab News are cutting-edge educational platforms covering Israel and the Arab Muslim world through a Biblical lens. We advance these two websites, published in Jerusalem daily, with venture capital investments.

**Over 3.3 million
podcast content views.**

Also, I’ve launched a primetime show from Israel on TBN, the world’s most-watched Christian television network, called ‘**The Rosenberg Report**,’ examining key leaders and events in the Epicenter.

For His sovereign reasons, God is leading us to incredible opportunities!”

“

One of the unique facets of The Joshua Fund is that it's been able to reach into areas that, quite frankly, the bulk of the evangelical world cannot do. God has shown favor to The Joshua Fund.

For Joel and Lynn Rosenberg, they have done a phenomenal job of putting together a winsome outreach that has given them access to the leaders, of what had been the most hostile nations to Israel historically, in a way that nobody else has, not even the State Department, as they don't have the inroads.

It's something to not only celebrate, but it's something to be very supportive of and grateful for, and to recognize God's hand upon that. It's simply amazing!”

prayer changes lives

When we commit to making a difference, together we mobilize the Church to make an enormous impact for the cause of Christ. Your gifts of prayer and finances can collectively help us make a difference in one of the world's most complex regions.

PRAY WITH US

Ask the Lord to strengthen the hearts of Believers in the Epicenter, and equip local ministry leaders with the courage, patience, and wisdom they need during difficult seasons.

Intercede for the seeds that have been sown in the hearts of Jews, Muslims, and atheists that they would reap a harvest, and many would come to faith in Christ.

Petition to God for the global Church to better understand the times we are living in, and do even more to reach others for the sake of the Gospel.

Ask the Lord to pour out His blessing and provision on The Joshua Fund to impact thousands more with life-changing food, resources, hope, and encouragement.

in a war for souls

There is a battle for minds and hearts around us.

Anti-biblical messaging is becoming an enthusiastically accepted cultural narrative. The book of Matthew prophesies these anti-biblical worldviews in times of “war and rumors of war.”

It says, “... many will turn away from the faith and will betray and hate each other, and many false prophets will appear and deceive many people. ... the love of most will grow cold, but the one who stands firm to the end will be saved.”

Let us be those who stand firm.

The Joshua Fund exists to bless Israel and Her Neighbors in the name of Jesus—to educate, mobilize, and strengthen the global Church. Trials reveal opportunities to demonstrate the Lord’s generous grace.

Thank you. Your support of The Joshua Fund delivers food to the poor, ministers the Gospel, and shows love for Israel and her Arab neighbors. Praise God! We experienced another year of growth this year—more families recognizing the need to invest in the Gospel, where Jesus ministered.

We don’t know the whole future. However, we’ve read how the story ends—God is our great Savior! But there is more to do.

Let’s GO!
