INDEPENDENT AUDITORS' REPORT

Board of Directors
The Joshua Fund
McLean, Virginia

We have audited the accompanying consolidated financial statements of The Joshua Fund and its subsidiaries, which comprise the consolidated statements of financial position as of December 31, 2016 and 2015, and the related consolidated statements of activities, cash flows, and functional expenses for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements
Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility
Our responsibility is to express an opinion on these consolidated financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

1. NATURE OF ORGANIZATION:

The Joshua Fund (TJF), a nonprofit organization incorporated in the State of Virginia, is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code (the Code). TJF was founded in 2006 to bless Israel and her neighbors in the name of Jesus, according to Genesis 12:1-3. Blessing Israel and the nations of the Middle East means praying for the peace of Jerusalem, bringing good news to the afflicted, caring for the poor, and being a light to the nations of the Middle East. TJF relies primarily on contributions to operate and conduct its programs and activities.

TJF established The Joshua Fund (R.A.) (TJFRA) in Israel in 2008. TJFRA is registered as a non-profit association under Israeli laws. TJFRA's goals in general are to promote social justice by establishing and managing a fund for humanitarian assistance to the needy in Israel regardless of religion, race or gender, and also by initiating and managing social and humanitarian projects in the State of Israel.

During the year ended December 31, 2013, TJF established a limited liability corporation (LLC) incorporated in the State of Delaware, established in order to further TJF's missions to the Middle East.

The financial resources of TJFRA and the LLC noted above are consolidated in these financial statements because TJF is the sole member or they are controlled and economically dependent upon TJF.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

TJF maintains its accounts and prepares its consolidated financial statements on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America. The preparation of consolidated financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts and disclosures at the date of the consolidated financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates. The significant accounting policies followed are described below to enhance the usefulness of the consolidated financial statements to the reader.

PRINCIPLES OF CONSOLIDATION

The consolidated financial statements include the financial resources and activities of TJF, TJFRA, and the LLC. All material transactions and balances between TJF, TJFRA, and the LLC have been eliminated in the consolidation. TJF, TJFRA, and the LLC will collectively be referred to as TJF.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, continued:

FOREIGN OPERATIONS

Management has reviewed the assets in other countries and, in its opinion, determined they are under the control and ownership of the ministry and meet the requirements for consolidation as set forth by the Not-for-Profit-Entities Topic of the FASB ASC. While such items are recognized as assets of the ministry, it should be noted that the political situation in many other countries is subject to rapid change. Therefore, the reader should be aware that while the ministry believes the assets are properly stated at the date of this report, subsequent changes could occur that would adversely affect the realizable value of the assets in other countries. In addition, it should be understood the carrying value of the assets in other countries may not be representative of the amount that could be realized should the assets be sold. The account balances relating to foreign operations are reflected in the consolidated financial statements in U.S. dollars.

CASH AND CASH EQUIVALENTS

Cash and cash equivalents consist of cash and short-term, highly liquid investments with an original maturity term of three months or less. The balances exceeded federally insured limits by approximately $2,740,000 and $3,567,000 as of December 31, 2016 and 2015, respectively. TJF has not experienced any losses on such accounts and believes it is not exposed to any significant credit risk.

CERTIFICATES OF DEPOSIT

Certificates of deposit consist of certificates of deposit with an original maturity term of more than three months and are carried at cost.

INVENTORY

Inventory is stated using the first-in-first-out method at lower of cost or realizable value. No obsolescence is recorded because the inventory items that are obsolete are not included in the inventory valuation.

PROPERTY AND EQUIPMENT

TJF capitalizes property and equipment purchases exceeding $3,000 and expenses lesser amounts in the year purchased. Property and equipment are recorded at cost. Donated items are recorded at their fair market value on the date of the gift. Depreciation and amortization is computed on the straight-line method over the estimated useful lives of three to ten years.

CLASSES OF NET ASSETS

The net assets of TJF are reported in the following classes:

Unrestricted net assets are currently available at the discretion of the board for use in the organization's operations and those resources invested in property and equipment.

Temporarily restricted net assets include resources restricted by donors primarily for use with certain projects.

2. <u>SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, continued:</u>

SUPPORT AND REVENUE

Contributions are recorded when made, which may be when cash and other assets are received or when unconditionally promised. Contributions of goods, services, and other assets are recorded at the fair market value at the time of the gift. Contributed services of $50,000 are included in contributions in the consolidated statements of activities for both of the years ended December 31, 2016 and 2015. TJF reports gifts of cash and other assets as restricted support if they are received with donor stipulations that limit the use of the contributed amounts. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is satisfied, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the consolidated statements of activities as net assets released from restrictions. All contributions are considered available for unrestricted use unless specifically restricted by the donor.

FUNCTIONAL ALLOCATION OF EXPENSES

The costs of providing various program services and supporting activities have been summarized on a functional basis in the consolidated statements of activities. Accordingly, certain costs, such as salaries and benefits and depreciation, have been allocated among the program services and supporting activities benefited.

UNCERTAIN TAX POSITIONS

The financial statement effects of a tax position taken or expected to be taken are recognized in the consolidated financial statements when it is more likely than not, based on the technical merits, that the position will be sustained upon examination. Interest and penalties, if any, are included in expenses in the consolidated statements of activities. As of December 31, 2016, TJF had no uncertain tax positions that qualify for recognition or disclosure in the consolidated financial statements.

TJF is generally no longer subject to U.S. federal and state income tax examinations by tax authorities for years before 2013.

RECLASSIFICATIONS

Certain prior year amounts have been reclassified in order to conform to current year presentation.
